1. Create Quiz Interface (Manual)

The image shows a mobile app interface for creating a quiz. At the top, there's a title bar with a back arrow and the text "Create Quiz". Below this, there are two tabs: "Manual" (selected) and "AI Generate". The main content area is titled "Quiz Details" and contains four input fields: "Title", "Description", "Topic", and "Difficulty". The "Difficulty" field is a dropdown menu with the text "Select Difficulty" and a downward arrow. At the bottom of the form is a button labeled "Create Empty Quiz".
